Re: Forever Sale Items and Credit Card Transactions
Date: September 07, 2023

Greetings!

To help sell our Forever Sale items faster, we will now allow the use of **Gcash, Debit Cards** and **Credit Cards** that **are straight payments** for Forever Sale items. Clients who transact with cash or the payment methods above can avail of the full discount of 35%, 45% or 55%, depending on the item.

This is effective on **September 08, 2023**
