Good News everyone!

To further support our Heart's Day Sale promotion, we would like to inform you that our clients may still get a 35% discount on all heart-tagged items using their Home Credit- HC Pay from February 1- 28, 2022.

However, if the client prefers to purchase a regular item (not included in the promotion), they cannot use the HC Pay transaction.

For any concerns and feedback regarding the promotion and usage of HC Pay, please feel free to contact M' Colleen Veloso from marketing department at 0917-795-7460.

Thank you!
