Greetings from the Marketing Team!

Last July 15 – August 31, 2021 we have implemented the “Bakuna for Gold” vaccination promo with additional 5% discount to all vaccinated clients. Due to the success of the promotion, we are happy to announce that the vaccination promo is extended starting September 11 until October 31, 2021.

Please refer to the Marketing memorandum 0721- 0187 on the promotion mechanics.

For your guidance.

Thank you.
