Re : Postponing our ukay-ukay for a cause

Date : October 21, 2021

---

At the direction of the city government and local health authorities, MECQ status is being implemented to curve the surge of Covid- 19 cases until end of the month. With that, our ukay-ukay for a cause scheduled on October 22,2021 won't be going through as planned.

The health and safety of everyone is our top priority. We urge all Team Members to follow the guidelines and protocols put forth by the local health authorities.

Stay safe, and we will update you with the new date as soon as they are confirmed.

Thank you.
